

Testimonies from Camp Hope 2007

Dearest Suzy,

Just a note to touch base The LORD certainly used you to touch all of our lives here in Colorado during Camp Hope. I'm still processing everything that came from Camp Hope. I cannot begin to tell you the lives that have been changed including mine. It was the most GOD thing I have ever been a part of. Thank you for serving the LORD so faithfully. My prayers are with you and your ministry. May our Lord and Savior continue to bless you over and about anything we could ever imagine. When I need a lift I just pop in your CD and begin to Praise God.

SISTERS IN CHRIST,

DOLLY

Hello!

I want to thank YOU Suzy, for your love, kindness and patience. God is doing wonderful things through you and I think it is absolutely amazing. Since I left the Graham ranch on Saturday night, I feel refreshed and happier than I have felt in a long time. When I think about my Dad, I don't feel the overwhelming sadness that I did before, and I now feel as though I have accepted him being gone from us too soon. I don't know that I have ever felt this lightness in my entire life and I thank you for taking part in being able to get me to this point. I know that I will still continue to have trials and challenges, but I feel now that I can give them to God knowing that He will take care of them, and me. I pray that you stay well and that God continues to do amazing things through you. Take care of yourself too, because I'm sure that He has more in store for you, as he does us all. I love you and I thank you for everything.

God Bless You!

Sandra

Suzy, I just wanted you to know that Camp Hope was truly a blessing to me and I came home so refreshed. I believe there was some healing in my heart also. I talked with my new friend that I meet at camp and she has had a great week of freedom. What a testimony of what God can do, and how wonderfully to see it happen. Thank you again for a weekend I will never forget. God is Great!

Love to you,

Sherry

We enjoyed very much the time at Camp Hope. It was good. I had never been to anything like that before. I can see how it would really help children. Cheryl
