

March, 2008

Greetings,

I pray that this finds you being Blessed on this Easter weekend. Matthew 28:6 "He is not here, he is Risen, just as he said" Take time to think about what our Lord and Savior has done for you and me. I would like to challenge you with a question. Think back during the time Jesus was in the garden of Gethsemane and he asked his disciples to stay awake and pray awhile. He would go away and pray and come back to find them sleeping. If you were one of the disciples where would you be? Would He find you watching and praying or would he come back and find you a sleep? So many have fallen asleep spiritually. Living life and having our agenda or program. Not spending time with our Lord and Savior causes us to be numb and dull of hearing. HE is always speaking but do we hear HIM? Lord help us to not fall asleep and be watching and waiting for your return.

I recently went to the Leather and Lace Women's conference in Llano, TX. I spoke on the armor of God. God does not want us to not be prepared for the spiritual battles that we face. Also 10 virgins and the oil in their lamps. 5 were wise and 5 were foolish. You can not take someone else oil. It comes from spending and being in the presence of God. In todays society we want everything easy. God wants us to spend time with HIM and that is a individual choice. Ask yourself this question which set of virgins would you be? I am looking and waiting for my Bridegroom to return and I want my lamp to be full. The Lord touched and mended many broken hearts. We had a great time and we are in the planning stages for another one. Please be watching for details in the near future.

God has Blessed this ministry with a busy schedule and what a exciting time to be living in. Recently while in Portales, NM and we had our Crusade of Christian Country. On Sat of the crusade we had Threads of Faith Women's Retreat and God touched the women's there. There was a rededication to the Lord and many at the altar. God is the thread that will hold the pieces of your life quilt together regardless how stained,tatored or torn. Psalm 18:20(msg) God made my life complete when I placed all the pieces before HIM.

There are several young ladies Shelton and Megon in Portales/Kenna area that are singing some of my music. If it is the Lord's will I would like to have them share a song from time to time. I am very proud of them and they are doing a great job. Please pray that they would always stay focused on HIM. I count it a honor to be used as a messenger for my Lord and Savior.

Please continue to pray for the ministry, strength for the journey and souls for the labor. If you have a comment or something has touched your life please let me know. I value and appreciate each of you as each of you are an important part and I could not do it without you. If you have any prayer requests please let me know. I count it an honor to pray for you. Keep looking up our Redeemer is soon to return.

Many Blessings,

Suzy Gayle
